

# FramelessGlass

**CS TrackSystems** are an innovative range of track systems designed for a multitude of sliding doorway applications.

The **CS Frameless Glass** clamp system is designed to take frameless glass sliding doors of 3/8" or 1/2" thickness. The clamp is compatible with all of the standard CS tracks.

Use this system for a distinctive, smooth running, reliable frameless glass sliding door.

<b>Carriage Pack:</b>	M8 only

## Suggested Assembly Detail

## CS Frameless Glass Clamp Features

Our engineers focus on constantly developing new products and refining existing ones. That's why our products come with a number of unique features:

CS Frameless Glass clamp system with CS Pocket track, M8 carriage and mounting plate

- 1** Compatible with all of the standard CS tracks (ordered separately)
- 2** M8 body made from cast stainless steel for strength and reliability. 4-wheel carriages are standard on all doors over 200lb
- 3** CarriSnap™ quick release system allows the door to be removed easily from the track
- 4** Glass clamp rail
- 5** Removable end cap

## How to Order

The CS Frameless Glass clamp system is compatible with all of the standard CS tracks (ordered separately).

- 1. Specify clamp length**  
(available in 2, 3, 4, 5 and 6' pre-cut lengths)
- 2. Choose number of M8 (500lb) carriage packs**  
(one per door - includes carriages, mounting plates, fixing screws, adjusting wrench and installation instructions)
- 3. Specify Frameless Glass U-Guide**  
(one per door - suits 3/8" and 1/2" glass)
